# Senior Consultant/Project Manager (d/f/m) – Cluster Policy & Innovation Ecosystems

---

Fulltime | Location Brussels | immediately

to support our team in the Business Unit **Economy, Innovation, Region** and our **Competence Centre for EU Services**.

**Topics that move. People who inspire.** If you want to make the right decisions today for tomorrow, you need a solid foundation. Prognos AG - one of the oldest economic research companies in Europe - provides them. For over 60 years we have been supporting private companies, associations, foundations and public clients in developing viable strategies for their future - through research, consulting and support. We are always on the lookout for analytical and creative thinkers who are interested in actively shaping our future.

### **Working at Prognos: what can you expect?**

As part of one of our teams, you promote movement and change in society, business and politics – in a fact-oriented and politically independent manner. We pay particular attention to an appreciative, collegial and motivating corporate culture.

### **Your tasks.**

- You will be part of a dynamic and growing team dedicated to EU-related consulting located in the heart of the EU district at the prestigious Residence Palace building.
- Analysis of European and national cluster & innovation policies (e. g., for the European Cluster Collaboration Platform/ECCP).
- Analysis of Just Transition processes in EU regions (e. g. for the Just Transition Platform of DG REGIO).
- Evaluations and impact assessments of EU and national funding programmes.
- Development of personal focus areas in emerging consulting fields (e.g., cluster policy, supply chains, resilience) and related client portfolios.

### **Your profile.**

- You hold a graduate degree in economics, public policy, economic geography, or related disciplines and have gained relevant work experience in policy consulting/research.
- You have built up a first network among clients (European Commission is a plus) and collaborators in the above-mentioned consulting fields.
- You are open to explore and develop new fields of expertise.
- You have excellent verbal and writing skills in English and also speak/understand German. Any additional language is a plus.
- We are looking for a team player with a positive work ethic and a pro-active 'can do' attitude.

**Our benefits.**

What makes Prognos stand out as an employer is the perfect mix of tangible benefits and a working environment in which you will feel completely at ease day after day. And these are just some of the reasons:

- Attractive fixed salary plus bonuses
- We attach importance to sufficient recreational holiday
- Any form of part-time models (depending on location) and trust-based working time
- IT and office equipment made to measure, also to be able to work mobile at any time and any place
- More than 50 in-house training and further education seminars - from design thinking workshops to rhetoric courses, from management training to software training
- The "Other Perspective Day", which invites colleagues to exchange roles once a year
- BahnCard, discounted public transport monthly ticket (depending on location), use of car-sharing systems and bicycle leasing
- Tax-free benefits in kind for e.g. lunch and shopping vouchers through conversion models
- Fresh fruit and free drinks are a matter of course for us
- Urban Sports Membership (for free fitness training in over 5,000 partner studios)
- Employee sports initiatives (business yoga, team triathlons, cycling races, beach volleyball and football teams)
- Retirement provision and insurance
- Team activities and corporate events
- Attractive locations in central city locations with good transport connections (bus & train)
- We are open to any other ideas!

*Our benefits are location-dependent and may vary.*

**You would like to become part of Prognos and apply?**

Please provide your application to our web-portal: [www.prognos.com/bewerbung](http://www.prognos.com/bewerbung). Please mention the **reference no. WIR-26** and let us know the possible date of entry and your salary expectation.

More about us as an employer: [www.prognos.com/karriere](http://www.prognos.com/karriere)

*We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion and ideology, disability, age, sexual orientation, and identity.*
