
Intern/Trainee (d/f/m) Innovation policy & cluster

Fulltime (40h/week) | Location Duesseldorf and Brussels | Duration: 6 months | immediately

to support our team in the Business Unit **Economy & Innovation, EU Services**.

Topics that move. People who inspire. If you want to make the right decisions today for tomorrow, you need a solid foundation. Prognos AG - one of the oldest economic research companies in Europe - provides them. For 60 years we have been supporting private companies, associations, foundations and public clients in developing viable strategies for their future - through research, consulting and support. We are always on the lookout for analytical and creative thinkers who are interested in actively shaping our future.

Working at Prognos: what can you expect?

As part of one of our teams, you promote movement and change in society, business and politics – in a fact-oriented and politically independent manner. We pay particular attention to an appreciative, collegial and motivating corporate culture.

Your tasks.

You will support our Business Unit in the following fields:

- European Structural and Investment Funds (especially ERDF) and other EU instruments
- Smart Specialization Strategies (S3), innovation policy and cluster policy
- Evaluations and impact assessments of EU and national funding policies/programs, market, industry, and regional analysis
- Development and delivery of accurate, timely, and high-quality products and services to our client: development of research, evaluation methods, performing quantitative/qualitative data analysis, preparation of reports and presentations.

Your profile.

- You hold a graduate degree or will soon graduate in economics, public policy, economic geography or related disciplines with a strong regional economics background.
- Moreover, you have gained first professional experience through internships or the like in the areas mentioned above.
- You are an experienced user of MS Word, PowerPoint and Excel; knowledge of additional software tools is an advantage (e.g., SPSS, QDA software, etc.).
- You have excellent verbal and writing skills in German (must have) and English; additional European languages would be advantageous.
- You are a team player with a positive work ethic.

Our benefits.

What makes Prognos stand out as an employer is the perfect mix of tangible benefits and a working environment in which you will feel completely at ease day after day. And these are just some of the reasons:

- Attractive fixed salary
- We attach importance to sufficient recreational holiday
- Any form of part-time models (depending on location) and trust-based working time
- IT and office equipment made to measure, also to be able to work mobile at any time and any place
- More than 50 in-house training and further education seminars - from design thinking workshops to rhetoric courses, from management training to software training. (also for you after arrangement possible)
- The "Other Perspective Day", which invites colleagues to exchange roles once a year. (also for you after arrangement possible)
- Discounted public transport monthly ticket (depending on location), use of car-sharing systems
- Fresh fruit and free drinks are a matter of course for us
- Employee sports initiatives (business yoga, team triathlons, cycling races, beach volleyball and soccer teams).
- Team activities and corporate events
- Attractive locations in central city locations with good transport connections (bus & train)
- We are open to any other ideas!

Our benefits are location-dependent and may vary.

You would like to become part of Prognos and apply?

Please provide your application to our web-portal: www.prognos.com/bewerbung. Please mention the **reference no. WIR-39** and let us know the possible date of entry and your preferential place of location.

More about us as an employer: www.prognos.com/karriere

We value diversity and therefore welcome all applications - regardless of gender, nationality, ethnic and social origin, religion and ideology, disability, age, sexual orientation, and identity.
